

Texas Association of Private and Parochial Schools

August 29 thru September 4

CALENDAR HIGHLIGHTS

Week 1

Football

September 1,2 and 3

ADMINISTRATION

TAPPS Contracts / Fees and Intent to Participate form are due in the TAPPS office by September 1, 2011.

The Enrollment Form should be completed after the first week of school and submitted to the TAPPS office no later than September 6, 2011.

HEALTH AND SAFETY

The temperatures across Texas continue to be a concern for outdoor activities. In FOOTBALL and FALL SOCCER, please insure preparations are in place for all levels of competition. As games begin, make sure preparations have been made for all those involved in the contest, Home Team, Visiting Team, Auxiliary groups, Officials and Fans.

CROSS COUNTRY

The Baylor Cross Country Course at Lake Waco was affected by a recent fire. As a result, the course will not be available for TAPPS use this year. Baylor is currently working to develop a new course for the TAPPS meet in Waco. Additional details will be sent to all schools participating in Cross Country as the details become available. Cross Country coaches should check the TAPPS Cross Country News Briefs for information.

PLAYER / COACH BEHAVIOR

The FALL sports seasons are underway. All coaches of FALL sports should have completed the SCOPE program and registered with TAPPS prior to the first Interscholastic game. As a part of TAPPS continuing commitment to Competition with Honor, TAPPS schools are required to report the ejections of Players and Coaches who are removed from a contest. The report forms are located on the FORMS page at www.tapps.net and must be completed by the school before the end of next school day. If two TAPPS schools are involved in the contest, then the opponent must also report the ejection. The year begins with a clean slate and we look forward to another year of positive behavior by all those participating in TAPPS sponsored contests.

SCORE REPORTING

**With the FALL seasons underway, please report the final scores of all Varsity contests through TAPPster :
Non-district—Tournaments—District —Playoffs.**
