

Subchapter G
CLASSIFICATIONS AND DISTRICTS

- A. Before May 1 of each even numbered year TAPPS shall establish classifications for TAPPS contests and assign each participant school wishing to compete in TAPPS activities to an appropriate district.
- B. These classifications and districts shall be maintained for the next two school years.
- C. The Director shall promptly notify each participant school of its classification and the district to which it has been assigned and of the identity of the other schools in the district and notify each member school district of the assignments of its participant schools.
