

The TAPPS Executive Board shall establish dates for district certification, playoff games and state championship games.

- A. Districts will design their schedules to complete the district contest, including makeup or playoff games, prior to the district certification deadline.
- B. If it appears not to be feasible to hold a contest at the scheduled place or time because of weather, facilities, or other cause, the Director shall determine where, when, or if the contest will be held.

(Sections 76-78 reserved for expansion.)
