

- A. Eligibility Forms developed in TAPPster (www.tapps.net) are due to the district chairman and the TAPPS State Office **BEFORE** competition in each varsity sport or District Fine Arts competition.
- B. Once a student has been reported, and all required information is given, any other eligibility form for that particular student includes only the student's name, PR (previously reported) and the name of the activity in which all information was reported.
- C. Schools should list their students on the appropriate form. Only those students participating in the activity should be listed.
- D. Separate forms should be submitted for Boys and Girls sports. For Coed activities, a separate list is not necessary.
- E. File supplemental eligibility forms for students who are may participate after the initial eligibility report has been filed.
