

BASKETBALL CHAPTER and SOCCER CHAPTER Presidents and Assignors

As the seasons begin, the TAPPS Executive Board expresses its appreciation for you chapter members' service to our schools and students.

TAPPS continues to move forward with an emphasis towards **Competition with Honor**. An integral part of our efforts relies on schools and officials reporting the ejection of players. In order for TAPPS to support the officials serving our schools, we need your continued assistance by reporting any incidents at all levels, **SUB- VARSITY** and **VARSITY** ejections to the TAPPS office through the following link <http://www.surveymonkey.com/s/YL35BFD> . The link on the TASO and UIL websites are also active for your use. TAPPS schools must report each ejection and the official's report is an important part of our process. As a result of an ejection, the player or coach will receive a minimum one game suspension and the school will be fined a minimum of \$50 for an ejection. Repeated ejections or those of a most serious nature face additional penalty.

Once again, we appreciate your efforts and if TAPPS may be of assistance, please feel free to contact our office at 254-947-9268.
